| CLASE 2  | Miércoles 15           | 18:30                    | 19:30                     |
| CLASE 3  | Lunes 20               | 18:30                    | 19:30                     |
| CLASE 4  | Miércoles 22           | 18:30                    | 19:30                     |
| CLASE 5  | Lunes 27               | 18:30                    | 19:30                     |
| CLASE 6  | Miércoles 29           | 18:30                    | 19:30                     |
| CLASE 7  |                        |                          |                           |
| CLASE 8  |                        |                          |                           |
| CLASE 9  |                        |                          |                           |
| CLASE 10 |                        |                          |                           |
| CLASE 11 |                        |                          |                           |
| CLASE 12 |                        |                          |                           |
| CLASE 13 |                        |                          |                           |
| CLASE 14 |                        |                          |                           |

### OBSERVACIONES

**SEÑALE ASPECTOS MÁS RELEVANTES QUE FORTALECEN EL DESARROLLO DE LAS ACTIVIDADES DURANTE EL MES**  
 Gran entusiasmo de los participantes hacia el taller, constancia en los alumnos.

**INDIQUE EL NÚMERO DE PARTICIPANTES** | 27

**SEÑALE LOS ASPECTOS POR MEJORAR**  
 Un espacio sin interrupciones, idealmente más grande ya que cada vez se incorporan más alumnos y en ocasiones no han podido participar netamente porque ya no hay espacio.
